In Re: KIXC(FM), Quanah, Texas
Petition for Rulemaking (Quanah and Iowa Park, Texas)

Dear Ms. Dortch:

Enclosed is an original and four copies of a Petition for Rulemaking to amend the FM Table of Allotments with respect to Quanah and Iowa Park, Texas. Specifically, the Petition requests that channel 265C2 (currently occupied by station KIXC(FM) be deleted from Quanah, and moved to Iowa Park as that city's second FM allotment. The Petition also requests that 265 be changed to a class C3 allotment in order to accommodate existing allocations.

The Petitioner also requests that station KIXC(FM)'s operation be specified on channel 265C3 at Iowa Park.

The Petitioner submits its request along with supplemental material to justify its request.

Should you or your staff have any questions, please feel free to contact the undersigned.

Respectfully,

A handwritten signature in dark ink, appearing to read "Fred R. Morton".

TECHNICAL ISSUES

The Petitioner proposes the following changes to the FCC's Table of Allocations:

PRESENT	PROPOSED
Quanah, Tx 265C2, 233C2*	Quanah, Tx 233C2*
Iowa Park, Tx 242A	Iowa Park, Tx 242A, 265C3

The reference coordinates for the proposed channel are 33 53' 55" NL, 98 49' 16" WL. The channel study is reproduced as Exhibit A.

LOCAL SERVICE

The Petitioner proposes to move KIXC(FM) from Quanah to Iowa Park, Texas, and modify its operation by downgrading from 265C2 to 265C3. Quanah is also served by AM Broadcast Station KVDL, 1150 Khz which also provides local service to the community. As such, the community of Quanah would still have a local broadcast voice, as well as being served by numerous facilities in Vernon, Texas and Altus, Oklahoma. In addition, there is an outstanding rulemaking to add channel 233C2 to Quanah. Therefore, Quanah would still receive local service in spite of the move of KIXC from Quanah to Iowa Park.

SUMMATION

The Petitioner's request complies with all FCC requirements with respect to allocation and proposed service to the community. The Petitioner respectfully requests that the Commission delete channel 265C2 at Quanah, Texas, and allocate channel 265C3 to Iowa Park, Texas and specify the operation of station KIXC(FM) on channel 265C3 at Iowa Park, Texas. Should this petition be granted, the Petitioner will file an application to cover the proposed technical operation arising out of the grant of this petition. Upon

award of a CP, the Petitioner would start construction within 30 days of grant.

Respectfully Submitted,
